MY SALON CAMPUS

mysaloncampus.com

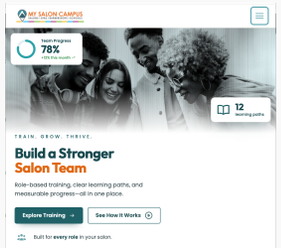

Get Your Campus App

Open MSC from your Home Screen - no app store download needed.

iPhone / iPad
USE SAFARI

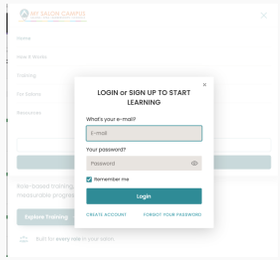

MSC app banner appears first. SIGN IN before adding to Home Screen to get your salon-branded app.

1 Open Safari

Open mysaloncampus.com in Safari. You will see the MSC app banner before you sign in.

2 Sign in first

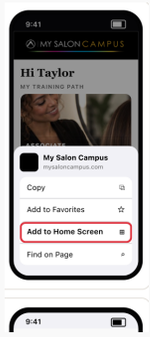

Sign in with your email and password. Eligible salon branding becomes available after login.

3 Tap Share

Find the square with the upward arrow. On some iPhones, tap the menu first.

4 Add to Home Screen

Scroll the Share options and tap Add to Home Screen.

5 Tap Add

Confirm the icon by tapping Add in the upper-right corner.

6 Open the icon

Tap your new Home Screen icon. Sign in once more if prompted.

After adding the icon, open MSC from your Home Screen. You may need to sign in once more.

mysaloncampus.com

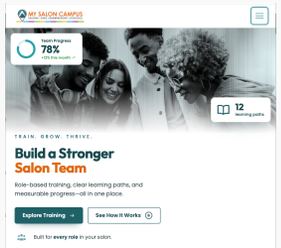

Get Your Campus App

Open MSC from your Home Screen - no app store download needed.

Android
USE CHROME

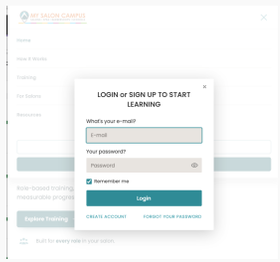

MSC app banner appears first. SIGN IN before adding to Home Screen to get your salon-branded app.

1 Open Chrome

Open mysaloncampus.com in Chrome. You will see the MSC app banner before you sign in.

2 Sign in first

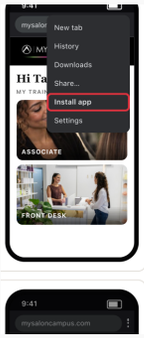

Sign in with your email and password. Eligible salon branding becomes available after login.

3 Tap Install

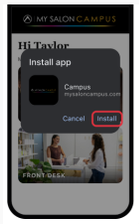

If the site shows Add to your home screen, tap Install.

4 Use the menu

No prompt? Open the Chrome three-dot menu and choose Install app.

5 Confirm Install

Tap Install. If your phone asks, tap Add as well.

6 Open the icon

Tap the Campus icon from the Home Screen or app list.

If no Install prompt appears, use the Chrome three-dot menu and choose Install app or Add to Home screen.

Know Before You Add

The correct browser and signing in first make all the difference.

iPHONE / iPAD

SAFARI

Not Chrome or an in-app browser

ANDROID

CHROME

Not an in-app browser

ELITE SALONS

You will first see the MSC app banner on the website. After signing in, Elite members can add their salon-branded app with the salon name and logo. Other salons use the standard MSC app.

IF SOMETHING LOOKS WRONG

I see My Salon Campus instead of my salon

No worries! Log out, delete the MSC icon from your phone, then return to mysaloncampus.com in Safari or Chrome. Sign in again, and add your salon-branded app.

I cannot find Add to Home Screen or Install

Use Safari for iPhone/iPad or Chrome for Android. Avoid browsers inside other apps.

It asks me to sign in again

On iPhone, the first Home Screen launch may ask for another sign-in.
